

LSM HIGH SCHOOL HEADLINES

April 27, 2018

Volume 2: Issue 17

Believe it or not, the end of the school year and graduation for the Class of 2018 are now less than two months away. Our juniors completed the SATs this past week and 3rd quarter report cards were handed out on Monday.

It looks like the weather has finally turned towards spring. All of our spring sports teams are rushing to make up for lost time and trying to find their mid-season form. The annual Big Band Bash takes place over three nights next week and AP testing starts on May 7th.

We are excited about all of the great activities and events taking place over the next two months!
