Volume 2: Issue 18

June 21st is getting closer and closer! The next few weeks begin the transition to the end of the year. The junior/senior prom is Saturday night. AP testing is halfway done. Invitations have gone out for our first awards night of the year on May 24th. Our spring sports teams wrap up the regular season over the next two weeks and all of them are now starting to think about the post-season. We even have information in this newsletter about the new summer reading program we are piloting this year.

You can feel the anticipation in the hallways as the school year starts to wind down. Let's stay focused for the last six weeks!
