

ACADEMIC INTERVENTION PROGRAM FOR STUDENT-ATHLETES:

Applies for the following weighted GPA generated by Power School on the specified reporting date:

<2.0 Academic Probation
<1.5 Academic Modification

NOTE: GPA's will be reported on the schedule found on page two of this document, which includes official school progress report dates and issue dates of report cards. **Changes to AIP Status will only occur on these dates.** Students participating in the AIP may still attend and participate in practices with the permission of the coach (after attending the required Homework Club, extra help, etc.).

Academic Probation:

Student-athletes will provide weekly progress reports to the head coach, signed by each teacher at the end of each week. In addition, the student will attend **2** days of academic support each week.

Academic Modification:

Student-athletes will provide weekly progress reports to the head coach, signed by each teacher at the end of each week. In addition, the student will attend **3** days of academic support each week.

Note: Failure to turn in progress reports or signed AIP passes on the specified date will result in immediate suspension from all games or scrimmages until this has been corrected.

Participation in games: Students participating in the AIP program may participate in all scrimmages and games as long as they remain eligible per CIAC minimums. Please note that these minimums do not ensure a student stays on track for graduation purposes. In the event a student fails to turn in the required materials each week, they will be suspended immediately from play until the requirements are met as described above.

Academic Supports:

Three types of academic supports are in place for the AIP. Each of these will count as one day of academic support toward the requirement.

- 1) **Homework Club** (meets daily in Room 101 - Computer Lab across from the Main Office): HW Club is an opportunity for a student to work quietly on assignments in a supervised setting. Although subject specific support is not available every day, the faculty member staffing the room may be able to offer assistance. Student must attend for a minimum of one hour for credit.
- 2) **Faculty Support:** When a student meets individually or in a small group to work on a specific subject for a minimum of 30 minutes.
- 3) **Peer Tutoring:** When a student works with a peer tutor, facilitated through the coach school counselor or their teacher, for a minimum of 40 minutes under the supervision of a staff member.

The AIP participating student is responsible for providing the supervising adult with the purple AIP Pass to be completed at the end of the support period. This pass should be turned in to the head coach at the next available opportunity as evidence of the support taking place. The student-athlete will also be responsible for turning in progress reports to the head coach on the specified date.

Note: Students will be promoted from Academic Probation/Modification when their current GPA improves above a 2.0 at a subsequent AIP reporting date.

Administration of Program:

On each reporting date, the Director of Athletics will provide the academic report to the coaching staff. The head coach will meet with the students participating in the AIP to review the grade report and AIP requirements. The Director of Athletics will also notify the parents. The student-athlete will immediately begin in the program. AIP passes are available in the main office and in guidance.

Revised 7/18/2018

ACADEMIC INTERVENTION PROGRAM FOR STUDENT-ATHLETES: Reporting Calendar for the school year

The following reporting dates will be used, with three reporting dates in the fall, winter and spring season. Students will only be added to or removed from the AIP on these fourteen dates. In the event of a school cancellation occurring on a given date, the next school day will be used. If multiple snow days occur that result in a change to interim or report card reporting dates, the AIP reporting dates may also be changed. Updated AIP reporting dates will be available from the Athletics Resources tab on the department homepage.

FALL SEASON REPORTS:

August 29 (Coaches Report only)

Fall 1: September 20

Fall 2: October 10

Fall 3: October 31

WINTER SEASON REPORTS:

November 12 - (Coaches Report only)

Winter 1: December 19

Winter 2: January 15

Winter 3: February 20

SPRNG SEASON REPORTS:

March 13 (Coaches Report only)

Spring 1: April 10

Spring 2: April 28

Spring 3: May 18– Final Report
