

January 2020

Dear Students, Parents, and Guardians,

Now that we have reached the New Year, midterm exams are getting close. Here are all the details you will need related to the exams:

Exam Schedule

High school students will begin exams at 7:25 a.m. and exam testing will end at 11:45 a.m. each day. The school buses will pick up students in the morning at the normal time. Dismissal from exams will be at 11:45 a.m. with another bus run at that time. There **will not be** any buses at the regular 2:00 dismissal time.

Except as indicated below, students ***are not*** required to be in school for exam periods during which they have no exams. However, those students who choose to come to school to study must remain in the cafeteria for the entire period. Students who are scheduled to take two exams on the same day ***may not*** leave the building during the break between test periods. Students who miss an exam due to a verified absence by their parents are eligible to make-up the missed exam. They should arrange a time with their teacher for a make-up session no later than January 27<sup>th</sup>.

Grade 9 and 10 students need to attend school during the period they have their wellness class. During this time they will be splitting the period between their wellness exam and working on course selection with their school counselors. Students will be discussing their course options with the counselors and will then be completing the course selection process in PowerSchool. Students will also be working on their Student Success Plan in Naviance.

Grade 11 and 12 students will not have an end of semester exam for their PE electives.

The cafeteria ***will*** be serving breakfast food and snacks during exams, but no lunches will be served.
