Hello LSM Community,

I am sending this a day early because of our unexpected early jump into remote learning. As previously announced, students will be learning remotely until the start of our holiday break on December 23rd. Here is a quick run-down of the scheduling information I sent all students earlier this week:

- Attendance will be taken in all classes (except study halls) so make sure you show up on time.
- We are already more than half-way through quarter 2. Use these 9 days to make sure you are on track in all your classes!
- Reach out to your teachers through email with questions during this remote learning time.

While students are out of the building, we do have one big event coming up:

With the limited access to our building, we are combining our efforts into one large Toy Drive event on Saturday, December 19th. From 10-2 we will be out in the LSM parking lot attempting to “Stuff a Bus” full of new, unwrapped toys and non-perishable food items. We are hoping that all of Region 10 will come out to support this great event. We will have students (nicely socially distanced) ready to take all of your donations. You won’t even need to get out of your car! Please check out the flyer attached to the announcement below.

Here are some important dates to start thinking about. Do not hesitate to contact the school at 860-673-0423 if you have any questions or need more information.

Athletic Information

The CIAC has announced that the winter season will be delayed until January 19th, 2021. As we get more information we will share it with everyone.

We hope that the move to remote learning goes well. The LSM main office will be staffed throughout this time and is here for anything you need.

Stay Safe,
