

For further assistance using FamilyID, the following steps will guide you through the process:

1. Begin the registration by having a parent/guardian visit the Lewis Mills Family ID page at <https://www.familyid.com/organizations/lewis-s-mills-high-school>
2. Under "Programs" at the bottom of the page, click on the athletics link for that season. Then scroll to bottom of the page and select either **Create Account** if this is your first time using FamilyID, or **Log In** if you already have an account.
3. If you are creating an account, you will be prompted to enter your family name, email address and password. You will then receive an email with a link to confirm your new account. (If you don't see the email, check your spam or junk folders.) Clicking on this link will log you in to FamilyID where you can enter the required information. When you have completed the form, click the "Save & Continue" button.
4. Review your registration summary and click "Confirm Registration" to submit. Once completed, you will receive an email receipt from registrations@familyid.com. You can also view your completed registration on your Dashboard. You can log into www.familyid.com at any time to update your information and to check your registration(s).
