

# Students going to Grade 5

Please join the Khan Academy class below to access the suggested summer work.

We appreciate all the hard work over the past year, and as we typically do, we have put together suggested summer work in preparation for next year. If you find you are having trouble on a Unit Test, please consider going back and watching the suggested videos and trying the section quizzes.

It is not expected to watch every single video unless you wish to.

- Get ready for decimal place value
  - Unit Test – (9 Questions)

**How to join your teacher's Khan Academy class**

- 1 Go to [khanacademy.org/join](https://khanacademy.org/join)
- 2 Enter your class code and press "Add".  
Class code: **RKVH7C6K**
- 3 If you don't already have an account, press "Create a new account". Enter your date of birth, then sign up using Google, your school email, or by creating a username.
- 4 Enter your grade and course. Now you're ready to start learning!

If you have any questions, please reach out to Ms. Edwards ([edwardsr@region10ct.org](mailto:edwardsr@region10ct.org)) or Mr. Darcy ([darcyj@region10ct.org](mailto:darcyj@region10ct.org))

***Have a great summer!***
